SUMMARY

Motivated third-year Software Engineering undergraduate with experience in full-stack development through academic projects. Passionate about building applications and eager to apply skills, problem-solving abilities, and a growth mindset in a Software Engineer internship.

EDUCATION

SriLanka Institute Of Information Technology(SLIIT)　　　　　　　　　　**Malabe**, **Sri Lanka**
BSc(Hons) in Information Technology
3rd Year 1st Semester │ 2023 October - Present

PROJECTS

Healthcare Appointment Booking Management System │ Individual　🐙　**Jun 2025 - Oct 2025**

- Built a full-stack telemedicine management system using React, Tailwind CSS, Node.js, Express, MongoDB, WebRTC, and Socket.IO, enabling doctor–patient appointment booking, real-time video consultations, role-based dashboards, and medical report management.

Pet Care and Adoption Management System │ Group project　🐙　**July 2025 - Oct 2025**

- Developed a MERN-based Pet Care & Adoption Management System and led the care-booking module, implementing appointment scheduling, admin approval workflows, and pet service management.

Employee Payroll and Leave Management System │ Individual　🐙　**Jan 2025 - May 2025**

- Built a Java-based Employee Payroll & Leave Management System using JSP, Servlets, MySQL, and Bootstrap with role-based access, automated payroll processing, leave quota management, and PDF payslip generation.

Travel Booking Management System │ Individual　🐙　**July 2024 - Oct 2024**

- Built a Java-based Employee Payroll & Leave Management System using JSP, Servlets, MySQL, and Bootstrap with role-based access, automated payroll processing, leave quota management, and PDF payslip generation.

TECHNICAL SKILLS

- **Languages**: C, C++, Java, Python, TypeScript, JavaScript, PHP
- **Web Technologies**: HTML, CSS, Tailwind CSS
- **Frameworks & Libraries:** Node.js, React, Next.js
- **Databases**: MySQL, MongoDB, PostgreSQL
- **Tools**: Git, GitHub, Postman, Figma, Jira

SOFT SKILLS

Problem Solving
Teamwork

Willingness to Accept Challenges
Self-Learning Ability
